

Sugar Loaf 8.7.8.7.8.8

B♭ Major. Vernon J. Charlesworth, 1885

Ed Johnson-Williams, July 2026

1. How blest in Je - sus' name to meet In joy - ful ad - or - at - ion, And Though dis - cord mars the
while his mer - cy we re - peat, And sing his great sal - va - tion,

2. We'll cast our crowns, con - ferred by grace, And with the saints a - dore him; And No jarr-ing dis - cord
when we see him face to face, In gol - den show'rs be - fore him,

song we raise, He loves to hear He loves to hear He loves to hear us sing his praise.

then we'll raise. But per - fect strains But per - fect strains But per - fect strains of heav'n - ly praise.
